

JON HOPKINS: 2011 TECHNICAL RIDER

Technical requirements:

For any **Jon Hopkins** show, the following will need to be provided:

1x table - 1.5m x 1m x 1.2m (LxWxH) covered in black cloth
1x Lamp (adjustable – to point down on equipment)
1x Pioneer DJM 800 (preference) or 600 to front of house
2x DI boxes to front of house

Also a lid of flight case which is 40x40cm with 10cm height would b great.

If the show was confirmed with **piano**, please provide:

Grand or Babygrand Piano (please contact Sam with what you can provide)

If it is a show confirmed with visuals, see additional VJ rider, and please email Sam with your video specifications.

Setup and soundcheck:

It usually takes about 30 mins to set up for a solo show, and after line check another 20-30 mins to test the soundsyetem at the level it will be during the concert. These timings will be slightly longer for a show with piano.
